Property Description

This property is set out over four floors and is a good size throughout. The front door opens directly into the lounge which leads into the kitchen with a dining area. Between the two there is a very small alcove where there is currently a small table and 2 chairs. Stairs lead up from the lounge onto a long corridor with a very large bathroom off to the left and a double bedroom at the end. A further flight of stairs leads to an identical long corridor and two further bedrooms and another small staircase which takes you directly into the ...
