Property Description

One of the last prime locations in Mil Palmeras is now being developed by one of the area's best known development companies. The project offers buyers the chance to get a two or three bed apartments just a couple of hundred metres from the Mediterranean Sea and famous beaches of Mil Palmeras at a great price.

There are two types of buildings being constructed at the complex, the first of which is two storey buildings split into ground floor and first floor apartments. These apartments all have ample outside spaces, the ground floor apartments with terrace and gardens and the upper floor apartments with balconies and a roof terrace. The second type of building on the resort are five storeys high and are made up of two an...
