Property Description

Lantana Villas is a small, private development of just seven detached villas, located around 200 metres from the sea. It's a quiet setting, but still within easy walking distance of restaurants, supermarkets and other everyday amenities. The villas are designed with a clean, modern layout, where large windows connect the indoor and outdoor spaces. Living areas are open and practical, with fully fitted kitchens and good natural light throughout. Several of the villas also have sea views, while all homes include private terraces and a swimming pool. Outside, each property has its own garden and a sense of privacy, with landscaping designed to create a more enclosed and relaxed environment...
