Property Description

A new and more intimate phase is now being released in this popular development in Ciudad Quesada. With only a limited number of apartments available, it offers a quieter residential setting while maintaining the same high standard of design and finishes. Each apartment features two bedrooms, two bathrooms and a bright open-plan layout connecting the kitchen, dining and living areas. Generous outdoor space comes as standard, with ground floor homes offering private gardens and top floor apartments benefiting from both a balcony and a spacious roof terrace.

The interiors combine clean contemporary lines with carefully selected materials, including feature wall panelling, stylish bathrooms and elegant two-tone kitchens...
