Property Description

Laguna Nova is a contemporary new residential development located in the heart of Las Lagunas de Mijas, one of the fastest-growing and most dynamic areas on the Costa del Sol. Designed with a strong focus on modern living, quality and efficiency, this boutique development offers an exceptional opportunity for both homeowners and investors seeking a well-connected location close to the coast, amenities and key transport links. The development comprises just 29 exclusive one, two and three-bedroom apartments, creating a more private and intimate residential environment than many larger projects on the market today...
