Property Description

Evoque Residences is a major new-build development of 203 apartments in El Higuero, Fuengirola, offering 1, 2 and 3-bedroom homes in an elevated location overlooking the Mediterranean on the Costa del Sol.

Located between Fuengirola and Benalmádena, Evoque Residences combines contemporary architecture, extensive wellness and leisure facilities and the established lifestyle of El Higuero. Its hillside position has been selected to maximise the outlook towards the Mediterranean, with most homes designed to benefit from sea views.

The development includes apartments with 1, 2 and 3 bedrooms, spacious private terraces, ground-floor properties

with private gardens and exclusive Sky Villas with rooftop solariums and jacuz...
