### Property Description

Altos de Manilva is a new residential development of 88 apartments in Manilva on the western Costa del Sol. Set in a peaceful elevated residential area close to the Mediterranean, the development combines contemporary architecture, private terraces and landscaped communal areas with convenient access to the beaches, golf courses and coastal towns of Manilva and neighbouring Estepona.

The development comprises four residential buildings with 22 apartments in each block. Each building has four storeys, creating a relatively low-density environment designed around privacy, outdoor living and the Costa del Sol climate.
