Property Description

Bold architecture, private outdoor spaces and a considered approach to quality define EARTH. This intimate residential collection brings together the elegance of contemporary Marbella with the comfort of a home designed around privacy and wellbeing.

Just 28 apartments and penthouses are arranged across four individually designed buildings — Water, Stone, Wood and Sand. Each has its own architectural character, with the positioning of the residences carefully considered to enhance privacy and create a sense of retreat.

Inside, generous proportions and open-plan layouts give the homes an inviting sense of space. Living, dining and kitchen areas come together naturally, creating an elegant settin...
